Time To Pay Your Annual Membership Dues Please Respond Now to Renew Your Membership

Dear Friend,

First and foremost, we salute you as a valued member of the Sand Hills Discovery Foundation and want you to know that your continuing support and loyalty are much appreciated.

It's very easy - and inexpensive - to take care of your Sand Hills Discovery Foundation membership, so we urge you to do it right now while you are thinking about it.

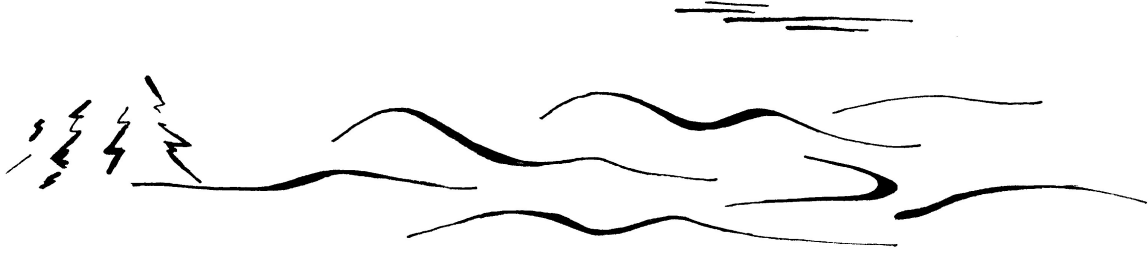

Just fill out the membership form and mail it with your payment.

- Although dues aren't high, combined with those of your fellow members, they support the valuable work the Sand Hills Discovery Foundation performs on behalf of everyone interested in the Nebraska Sand Hills – to encourage research and share knowledge about this very special part of the world.
- The Foundation hosts the annual Sand Hills Discovery Experience – a conference held in Ainsworth, NE which brings together experts on various aspects of the Sand Hills. The conference is held in July and is open to the public. Besides a day of interesting speakers, the Sand Hills Discovery Experience offers tours to places of interest in the Sand Hills region. One hour senior/graduate credit is offered by Wayne State College for an additional fee.

For all these reasons, we urge you to renew your Sand Hills Discovery Foundation membership now. It's easy and quick to do: just complete the form on the next page and mail it with your dues payment or donation. Please do it today to ensure the Sand Hills Discovery Foundation can continue the work of providing comprehensive information about the Nebraska Sand Hills.

Sincerely,
The Sand Hills Discovery Foundation
